

Assurance Wireless Lifeline Members

Assurance Wireless will soon be part of Access Wireless, another major provider of Lifeline services.

- Access uses the Sprint® Nationwide Network
- You will not have a contract with Access Wireless, and have the right to change Lifeline providers

You do NOT need to take any action to stay with Access Wireless. You will continue to use your SAME phone with the SAME telephone number. And you will receive as many or more free minutes, texts and data.

As a RightCare member, if you are pregnant or active in case management, you can get an extra 250 minutes by request. If you need more minutes to talk with us, call us toll-free at 1-855-TX-RIGHT (1-855-897-4448), and we will help you out!
